We are delighted to inform you that University Department of Information and Communication Technology (UDICT), and Jawaharlal Nehru Engineering College (JNEC), MGM University, Chhatrapati Sambhajinagar (Aurangabad), MS, INDIA, is organizing an IEEE sponsored International Conference on Machine Intelligence and Data Analytics (ICAMIDA-2025) during August 21-22, 2025. Original research papers are invited in different tracks of ICAMIDA–2025.

The accepted papers, which will be presented in the conference, will be submitted to IEEE Xplore for publication and indexing, which is indexed with world's leading Abstracting & Indexing (A&I) databases, including CiteSeerX, SCOPUS, DBLP, EI-Compendex, Google Scholar as per the policy of IEEE and A&I service partners.

ICAMIDA–2025 will provide a platform for technical exchanges within the research community and will encompass regular paper presentation sessions, poster presentations, invited talks, keynote addresses and panel discussions. In addition, the participants will be treated to a series of cultural activities, receptions and networking to establish new connections.

Review Process, Publication and Indexing: The conference aims at carrying out two rounds of review process. In the first round, the papers submitted by the authors will be assessed on the basis of their technical suitability, scope of work and plagiarism. The corresponding authors of qualifying submissions will be intimated for their papers to be double blind reviewed by three experts on the basis of originality, novelty, clarity, completeness, relevance, significance and research contribution. The shortlisted papers of all the tracks will be accepted for presentation and publication in the Soft Copy of Conference proceedings.

The Papers accepted after the review & presented in the conference will be submitted for possible inclusion in IEEE Xplore provided, they meet quality standards.

Best paper award: Papers accepted and presented in the conference will be given the opportunity to compete for the Best Paper Award.

Tourism: The conference will also provide an opportunity for the participants to visit some of the world-famous tourist places in Aurangabad like Ajanta, Ellora Caves, Devgiri Fort, Bibi Ka Maqbara, Ghrishneshwar Temple etc.
